

GRAKO

By Alain El Tawil, Managing Partner, Grako

Who we are

Grako is high-level access cleaning company, based in Dubai, UAE, providing advanced high-level access cleaning solutions both internally and externally, across the region.

Our dedicated professionals are trained and certified to the highest global standards. Gecko Middle East, a company owned by Grako is our rope-access division, and is a member of the International Industrial Rope Access Training Association (IRATA). We focus our expertise on providing various industries with specialised and tailored solutions to access and clean hard to reach surfaces of any property including residential and commercial properties, government properties and public areas, as well as industrial properties. Our client portfolio of more than 80 customers includes world-renowned structures and architectural marvels, as well as malls and hotels.

The work we undertake is extremely challenging and our satisfied customer base is a testament to our dedication in providing customised high-level access cleaning services.

What's new for this year?

This year, Grako is focusing on expanding its presence in Qatar. We are already working on some prestigious projects including the Pearl Qatar, the Grand Hyatt hotel and the Intercontinental hotel, to name a few. We are also expanding our services portfolio to cater to the varied needs of our customers that belong to various sectors and have specific requirements.

Projects to date?

Some of our most noteworthy clients in the UAE include the Burj Khalifa, Abu Dhabi National Exhibition Centre (ADNEC),

Capital Gate, MAF Malls, DIFC, The Address hotels, EMAAR, and Dubai Mall, among other shopping malls, and hotels.

Our clients in Qatar include the Pearl Qatar, the Grand Hyatt hotel, and the Intercontinental Hotel, to name a few.

Why choose Grako

The manner in which we approach our customer's requirements is distinctive. What we provide our clients is total solutions and services. Our comprehensive 360° approach begins before we take on a job by understanding the client's requirements and advising on the best methods. It ends only when our client's evaluation and complete satisfaction is realised.

Grako is also a member of the Middle East Facilities Management Association, which reinforces our commitment to meeting industry standards. All our technicians are certified to the highest global standards and therefore deliver superior results. We have an impeccable health and safety record, and our efforts to be a sustainable company are always at the forefront of our operations.

Grako is the only specialised high-level access cleaning company. We undertake challenging projects and exceed our customer's expectations by delivering on time, and to the highest standards; our long-standing clients are proof of this.

All our services are in-house, ensuring optimum quality. We also support other FM and cleaning companies by providing them with our services such as high-level access cleaning.
